Before a Move: Consider Your Options

Are you thinking about moving to a Registered Housing with Services setting*?

If so, the State Legislature recently made changes that might impact you. **Before you sign a lease or housing contract, first call the Senior LinkAge Line® for long-term care options counseling.** It can help you find services that meet your needs.

To receive the service, call the Senior LinkAge Line® at 1-800-333-2433. The Senior LinkAge Line® helps people and their families find local resources and make decisions about long-term care options.

When you call, you will talk with an expert. Together, you will:

- Look at your current situation.
- Find services that may be helpful to you.
- Learn about financing options, Medicare and other resources. These resources might help you pay for any services you may need.

*Housing with services providers are registered by the Minnesota Department of Health.

Take the following **important** steps:

1. Call the Senior LinkAge Line® at 1-800-333-2433. Or, use the Minnesota Relay Service at 711 or 1-800-627-3529 (TDD). Or call 1-877-627-3848 (speech-to-relay service).
2. The Call Specialist will ask you some basic questions and discuss your options.
3. At the end of the call you will receive a verification number.
4. Write down the number and put it in a safe place.
5. Watch for the number to come in the mail.

What this means for you:

- Make just one call for help with making decisions about services or finding help.
- Have better information to make choices.
- Get support to consider all of your options.
- Make the right choice at the right time for you.

If you decide to move, give your verification number to the housing provider. Do this before you sign a lease or housing contract.

If you decide not to move, keep the number in a safe place should you later need it.

The Senior LinkAge Line® is a statewide service of the Minnesota Board on Aging and is provided locally through six Area Agencies on Aging.

The Senior LinkAge Line® is available by phone at 1-800-333-2433, Monday through Friday, 8:00 a.m. to 4:30 p.m., as well as via live chat through www.MinnesotaHelp.info®.
